CLIQ Digital AG: Update regarding the ongoing public partial share repurchase offer — assistance for shareholders and Management Board outlook on the Company's future shareholder structure

- Acceptance period for the ongoing public partial share repurchase offer at EUR 3.85 per share ends on 15 June 2026, 24:00 hours (CEST)
- The Company has been informed by several shareholders of practical complications encountered when seeking to tender their CLIQ Shares through their custodian bank
- The Management Board, together with the Supervisory Board, would consider initiating a delisting of CLIQ Shares should Dylan Media B.V. come to hold a qualified majority of at least 60% of the Company's share capital following the Repurchase Offer

Düsseldorf, 9 June 2026. The Management Board of Cliq Digital AG ("**CLIQ**" or the "**Company**") (ISIN DE000A35JS40) is providing this update in connection with the public partial share repurchase offer announced on 29 April 2026 (the "**Repurchase Offer**").

Partial repurchase offer (Information for shareholders on tendering)

In recent days, several shareholders have informed the Company of practical complications encountered in the process of tendering their CLIQ Shares through their respective custodian banks. In response to the feedback received, the Company emphasises that shareholders who encounter any complications when tendering through their custodian bank are invited to contact CLIQ directly at investors@cliqdigital.com. The Company will, to the extent legally and procedurally possible, provide assistance to facilitate participation in the Repurchase Offer.

Outlook on the Company's future shareholder structure

The Repurchase Offer was initiated at the request of the Company's shareholder Dylan Media B.V. ("Dylan Media"). Dylan Media has further requested that the Management Board consider a delisting of CLIQ Shares following completion of the Repurchase Offer. Depending on the outcome of the Repurchase Offer and the resulting development of the Company's shareholder structure, the Management Board – together with the Supervisory Board – would consider initiating a delisting of CLIQ Shares from the regulated market in the event that Dylan Media comes to hold a qualified majority of at least 60% of the Company's share capital. A delisting would in particular result in CLIQ Shares no longer being tradable on the open market, in a substantial reduction of liquidity in CLIQ Shares, and in the cessation of the Company's related transparency and reporting obligations under capital markets law. Shareholders who do not tender their CLIQ Shares under the Repurchase Offer would continue to hold their shares but should be aware of these potential consequences.

Further details of the Repurchase Offer are set out in the offer document published on the Company's website (<https://cliqdigital.com/investors/>) in the section "News & Shareholder Centre" under the heading "Share Repurchase Offer" and in the Federal Gazette (<https://www.bundesanzeiger.de>).
